

LOCATION

Villa Alchemy is located on the eastern coast of Phuket in the exclusive Cape Yamu estate. The property sits on an elevated beachfront land, offering a stunning view of Phang Nga Bay and the blue waters of the Andaman Sea.

THE VILLA

If you are to look at Villa Alchemy from its very entrance, it would appear like any modest bungalow. Seen from the bay, however, the property reveals a sprawling 4-storey luxury home cascading down a hillside like a resplendent staircase tiled with elegant white, crystal blue, and lush green.

Despite the humble entrance, the villa is truly capacious. In fact, it boasts the most number of bedrooms among any other property in the estate, totaling to ten - all of which are ensuite and features wonderful views of Phang Nga Bay. In addition, Villa Alchemy also houses impressive facilities to keep guests entertained including a handsomely designed home theater, a fully-equipped gym, a spa, and a billiards table.

Right next to these indoor extravagances are the villa's infinity pools, sparkling gorgeously under the bright Thailand sun. The villa has two separate pools on two different levels, one of which is saltwater. The larger one at the main level comes with a shallow section for the kids as well as a Jacuzzi.

A little further downhill, a row of trees conceal a sandy stretch of beach perfect for late afternoon walks. Nestled on Phuket's quiet east coast, Villa Alchemy offers complete seclusion. Six professionally trained staff provide first-class services with a private chef ready to serve you with restaurant-quality dishes throughout your stay.
